### **Migration and Filipino Children Left-Behind: A Literature**

Dear Members, The 2018 edition of the State of Food and Agriculture (SOFA), one of FAO's annual flagship publications, will focus on migration and the challenges it poses to food security as well as to peace and stability.

### **Rural migration, agriculture and rural development**

Context Migration trends in the Americas. Migration is not a new phenomenon, despite its seemingly sudden rise to global attention. The movement of people, whether within country borders or across international borders, has been occurring for centuries and has recently become a major feature of globalization.
