Horror Fiction: Monsters and ancient curses

The Day the Stork Stole the Wedding; Thieves in the Garden; Dark Wizard, Spark Wizard ; There was once a boy who was afraid of the dark. He thought that when it was dark his bedroom filled up with monsters. But there came a time when he was too old to be allowed to keep sleeping with the light on. That first night he was paralysed with fear, his mind full of monsters. So much so, that he went ...

"The moon had disappeared from the night, and again, with a lessened form, showed itself, while I still remained in the forest. My sensations had, by this time, become distinct, and my mind received every day additional ideas. My eyes became accustomed to the light, and to perceive objects in their right forms; I distinguished the insect from the herb, and, by degrees, one herb from another. I ...
