White Clover – This is what my living mulch should soon look like. Photo by Martin LaBars. I mentioned in my post about building raised beds that I chose to add New Zealand white clover to the edges of the raised bed to act as a living mulch. First off, I should explain what a living mulch is, and how it differs from a cover crop:

### **6 Reasons Why I Chose Clover as a Living Mulch – Instead**

Sustainable living is fundamentally the application of sustainability to lifestyle choice and decisions. One conception of sustainable living expresses what it means in triple-bottom-line terms as meeting present ecological, societal, and economical needs without compromising these factors for future generations.
