Needing to Breathe - Two is Never Enough Book 1 - Evil

Everyday functions of the body like digesting your food, moving your muscles or even just thinking, need oxygen. When these processes happen, carbon dioxide is produced as a waste product. The job of your lungs in this system is to provide these processes with oxygen and to get rid of the waste gas, carbon dioxide.

Needing to Breathe by author B.A. Tortuga is the first book in the Two is Never Enough Series. This story has me very conflicted. The story itself is very good. The idea of it that is. The chemistry between everyone is also very good. The part that is making me torn is the editing. The author often mistakens her own characters names for instance calling Jock, Josh in the middle of a sex scene ...
