OLD VS NEW REGIONALISM *D EBASHIS S ARKAR Regionalism has become a pervasive feature of international affairs. According to WTO, by July 2005 only one WTO member- Mongolia- was not party to any regional trade agreement, and a total of 330 such agreements had been notified. Regionalism has various dimensions, and terms need to be clarified. The regionalism is often used to refer to growth of societal integration within a region and the often undirected processes of social and economic ...
